

Dear Members,

Firstly, on behalf of the Executive Committee of the Orewa Surf Club I would like to thank you for your ongoing support.

You are all no doubt aware of the impact that the current economic recession has had for sporting and non profit organisations where our funding and sponsorship income has fallen significantly. The Executive Committee has been looking at new ways to generate much needed income to allow us to continue to provide life saving and other equipment, coaching and to meet overhead expenses.

We have been offered the opportunity to join a rapidly expanding international business involved in providing telecommunications services, which we have decided to accept. As a result, the Orewa Surf Club is excited to announce the launch of the Orewa Surf Club Communications Network.

This ongoing initiative provides a fantastic way for our members to save money on their home phone bills, stay in touch with the Orewa Surf Club community (and others) and at the same time raise critical funds for our Club.

This telecommunications provider offers great value to the individual. Major attractions include:

- Cheaper Toll call rates than most leading providers.
- Retain your current phone number.
- Free, seamless transition from old service provider.
- Immediate savings.
- Non Club members can join too.

The benefit to the Orewa Surf Club is that for every phone aligned with the Orewa Surf Club Communications Network our Club will receive a percentage of the monthly phone bill of the user on an ongoing basis. This means ongoing residual income coming into the Club every month forever.

We are fortunate that Bev Kelleway has offered her time to help us drive this initiative through our Club to help us raise much needed funds. Bev has been a member of the Orewa Surf Club for many years and will be known to a lot of you.

You may receive a call from Bev in the near future to introduce herself and to outline the benefits of the Orewa Surf Club Communications Network. Bev can be contacted on 09 489 2262 or 0274 395 595.

The Executive Committee hopes that you will support this initiative as it will only succeed using the collective strength of all our members. There are no costs to you in joining the Orewa Surf Club Communications Network and you will be helping the Club raise much needed funds.

Best regards,

John Chapman
Secretary
Orewa Surf Life Saving Club
